

Directions to Earlscroft Farm,
Sibsey Road, Boston,
Lincolnshire.
PE22 0RL.

Tel: 01205 350 426
Mobile: 07545 921 886

From Boston

Follow the A16 through Boston to the Pilgrim Hospital. After the hospital continue heading North on the A16 for 3/4 mile towards Grimsby. Look out for a bridge signposted "Cowbridge Drain". If travelling at night you will notice that the street lighting stops at the bridge. Immediately after the bridge, turn left on to a farm track. Keep left on the track for a further 200 yards. The track will bear round to the right, but you should continue straight on for a further 50 yards where you will see the gravel drive of the Cottage.

From Sibsey Village

Continue for 2.5 miles, South on the A16 until you reach a bridge signposted "Cowbridge Drain". If travelling at night you will notice that the street lighting starts at the bridge. Immediately before the bridge turn right on to a farm track. Keep left on the track for a further 200 yards. The track will bear round to the right, but you should continue straight on for a further 50 yards where you will see the gravel drive of the Cottage.

Note for your Sat Nav

If you enter our post code (PE22 0RL) in to your Sat Nav, it will take you to an address nearly half a mile too far North towards Sibsey, if you are coming from Boston, or not far enough, if you are coming from Sibsey towards the Hospital.
